

## WHO WE ARE

DIV GmbH has been a service company in intermodal rail freight transport since 1997 with company locations in Cologne and Duisburg. As a mobile workshop team, we carry out preventive maintenance or on-demand repairs throughout Germany. Since 2022, we have also taken over the ECM 1-3 function for your rail freight wagons, from registration to the organisation of maintenance and documentation. Since 2024 DIV GmbH has also been responsible for wagon scheduling for Kombiverkehr KG.

## SERVICES & BENEFITS

**Wagon maintenance - mobile for you!**

- **Flexible:** Mobile team directly on site
- **Reliable:** Short distances and good networking
- **Safe:** Highly trained, certified according to ECM, VPI, DB
