WHO WE ARE

KombiRail Europe B.V. - We trust in Rail. As a specialist in high-quality train services for combined transport, we offer you reliable traction services within Germany and the Netherlands as well as transports with connections to Poland. Our 106 employees at the Rotterdam-Hoogvliet, Duisburg and Frankfurt locations implement this with commitment and highest quality standards. They ensure smooth operations on a daily basis and manage around 3,500 round trips per year.

SERVICES & BENEFITS

- 25 of our own locomotives that are running for you at high speed.
- Our own transport monitoring team that works hand in hand with our Kombiverkehr colleagues.
- Traction services characterized by punctuality and flexibility.
- Strong networking within the group of companies - and thus a broad spectrum of resources, expertise and synergies.
